- Fun Week
 - All members should try to get here as soon as possible on Friday, even before 4pm.
 - 3 hours is barely enough time to get setup, even if everyone is here.
 - Thomas Situation
 - Cannot attend Thursday / Friday night due to a conference.
 - Should we vote to admit Thomas, knowing that he will not be participating in fun night?
 - Do we have enough active pins to present to the new initiates?
 - Is there anything we can do in lieu of FN
 - Will talk to Thomas right before the active's meeting
 - Ideas for an alternate bar for popcorn night
 - Whiskey River (a.k.a. The Pube) is no longer an appropriate bar
 - Dan started a list today – stuff we need to get for fun night/fun week.
 - There is a fun week / fun night page on the wiki.
 - Banquet Arrangements (Isaac Hall)
 - Cannot pay for drinks with cash at the tables
 - They will only do drinks with one cheque per table
 - If you go to the bar, they will serve the servers first, then people sitting at the bar, then us.
 - Therefore, most people should stick with the check per table option.
- Treasurer Report
 - House Rent was paid
 - Cable bill arrived
 - Dan will turn in the form to change the name on the cable account.
 - Thanksgiving meal will be divided evenly among active members.

- Last House Day
 - Second Sundays after banquet.
 - List of things to get done is on the wiki – please add any ideas to this list.
