- Publicity wrap-up
 - Bryan Brinsko's thoughts
 - Joe may have trouble executing publicity events because he does not have a car.
 - Bryan wants to try to distribute more of the effort among all active members so that the publicity chair does not have to wear him or herself out doing everything.
 - Bryan will update the sign in E-Hall.
 - Looks like we will have seven pledges this semester
 - Three people said they will not do this semester because they have too much work, but may join in the spring.

 - House Day Tasks

- If the sign is up, put up the lighting
- Need to put the sign up: schedule a day with Pete
- Additional tasks will be put up on the Wiki
- Possibly pick up and get the new dryer, if it is better than the current one
- Electric dryer will be about 3 times more expensive (in terms of energy use) than our current dryer, however
- Also need to see if we can fix the intermittent heat issues with the current gas dryer.
- Treasurer Dishonesty Bond
 - We have insurance against a treasurer misappropriating or embezzling funds
 - This gets paid in 3-year chunks, and then DHC bills 1/3 of it each year back to KHK.
 - This will pay out if we lose funds due to a dishonest treasurer.
- Postage New Notifications
 - Any mail addressed to postmaster@114 N Orchard St should be put in the alumni mailbox.
 - These include forwarding address, and are paid out-of-pocket by our mail carrier until we reimburse her.
