

Kappa Eta Kappa, Delta Chapter  
Spring 2012 Executive Meeting Minutes  
3/5/2012

Call meeting to order – 7:04 PM

Attendance missing Drew, and Alex

Reimbursements – Joe and Matt will do those for next week

Alumni involvement ideas –

Frat Meal Presentations: D

Mock Interviews

How will we solicit those? Email. About 400 people on the alumni list  
Doing it here means we're all here already and they could participate in frat meal too

Doing it off site doesn't really appeal

We should start eating frat meals in the basement.

Practical application presentation by Steve about speakers, color codes, working with stuff.

Soldering lessons would be awesome.

Email out to the alumni list: Invite them all to presentations done by us.  
Offer to let them plan a presentation for themselves! :D

Invite Faculty

Tentative presentation by Steve 3 weeks from now! :D :D

NEW MICROWAVE! :D

The old one is in room 26.

To be thrown out on dumpster day

Steve is done with his work.

Been working 2-4 days each week.

He's going to email us the bill.

We got a new fridge coming in on Tuesday. They'll be taking the old fridge with them so that's good :). Don't sign their sheet till they take the old fridge into their truck.

We're going to be hosting the Rockband for Eweek tomorrow at 11 AM  
We were supposed to host the Tug-o-war, but there was no rope. We still get points for hosting the event but we didn't have to do anything.

Issues with having House day this Sunday: Kyle will be gone after 2:00 PM  
It's goin down anyway.

See the wiki for a list of the projects we want to get done.

Excuse letters – Approved several excuse letters  
Talked briefly about Steve, Bin, and Irene

Discussion about philanthropy  
Cup night vs Science Olympiad

Cup night helps out university  
Helping some kid get a degree he may not end up using  
Gets our name out to university people  
Not really our prime audience

Science Olympiad  
Still not our target audience

Fuck it let's do both  
Matt will talk with Katie about doing the cup night

Science Olympiad – we might still have time. Just volunteer

Matt From closet cooling solution?

AT&T Bill seems to have jumped up at some point. Higher than we agreed to pay.  
Ian will call them tomorrow.

Treasury Report –  
Lots of numbers  
Talk to Dan about making sure to get receipts for gophering  
There are some decent holes in the gopher budget

Take the \$200 surplus from the last party and use it to pay for the ice luge and new Beer pong table.

New check policy – fill out a form when you write a check.

Printer – Table the printer discussion till next week  
Buy the second smaller option for \$27  
Second one same size as the current one

Security breach – someone tried to get into the house on the second porch door. Two guys were inside the front doorway. Looking for “weed mike”. Big 300 pound guy and smaller guy who tried to get into the 2<sup>nd</sup> floor porch.

Talk with everyone – Lock windows and doors. People can come into our house. :/

Meeting Adjourned – 8:05 PM
