

Kappa Eta Kappa, Delta Chapter  
Summer 2011 Executive Board Meeting Minutes  
6/27/2011

Call Meeting to Order - 7:45 PM

Attendance - Kyle, Lakshay, Drew Beatty missing

Eat Delicious Deep Dish Pizza. It was glorious.

Discussion -

- Basement Floor
  - Go over the next steps that must be taken
  - (So far the basement has been cleared out completely of stuff, and the scarifying of the floor has begun. Unfortunately it's not complete because the machine broke down half way through and is getting fixed. Pete will continue when he can.)
  - Current plan no longer includes the intensive cleaning on our hands and knees. By grinding it all down, it means we only need to vacuum up any dust and such that's left when pete's done.
  - Next steps
    - Cut off plastic near bottom edge of walls
    - Scrape under walls with butter knife to dislodge anything stuck
    - Vacuum floor and under all walls
    - No oil and minimal water on floor after that

Meeting Adjourned - 8:30
