

Kappa Eta Kappa, Delta Chapter  
Spring 2012 Executive Meeting Minutes  
4/16/2012

Call meeting to order – 7:04 PM

Attendance – All here

TVs were picked up on large item pick up day

Banquet –

We need to decide what people are going to eat.

Jerry handed out a spread sheet of all the food options.

The way it works is we can't be taking multiple servings per person.  
However, It will be possible to take partial servings so everyone can get a little bit of everything. We want to serve everybody once.

We'll need to explain the way it works to people so we don't get people taking multiple servings.

We have at least 1 vegetarian.

We're making food choices

VOTE: House salad

VOTE: Chicken parmesan, flat iron steak, and pan fried walleye

VOTE: Bonfyre Mash, and Seasonal Vegetable

We'll figure out the percentages at the meeting

If you're vegetarian you gotta tell us so you can order separately.

Door Numbers – They're all in. We gotta drill some small holes and put em up.

Next house day project

Kegeratory –

Down to two options

New quotes

Both still fit under the bar, but one of them will have a tray that that the wheels are attached to that it sits on.

They're within 7 dollars of each other.

Jerry told us about how he called everyone for quotes. One of the places that told us a month ago that they were selling no longer sells.

Jerry looked into used stuff also.

Jerry suggests: eliminate the second vendor. Get final quote from first people with 3 inch wheels instead of 2.5. Buying new comes with all the installation

and delivery stuff (as opposed to the used option). Work on getting the final quote  
😊

AT&T/Charter –

Jerry got the quote from Charter.

Dataline + television + long distance 155

Dataline + television + no long distance 150

Super long pointless discussion

VOTE: 150 option

We're making sure they're going to put the main TV signal into the computer room.

Jerry will make sure they install it the way he wants and will get it all set up.

Kyle agrees to be the contact person since he will be here next year

Next weekend – Open mic night this weekend. Sam told Matt that he'd get a PA system for him. Now Sam says he can't. How are we going to do this?

Call sam, guilt trip him.

Ask Andrew about it too.

Steve suggests we buy a mixer. Small one for 30 bucks?

Meeting Adjourned – 8:02 PM
