Anything Funny happen this weekend?

Lets talk about Matt From first

Friday he got shit faced didn't know what he was saying.

Came downstairs at 3 at night, on couch, ranch dripping down his face, slamming fists on table, rambling, wet down his front

Saturday – uno and dan start calling around to see where Matt From is at around 11 at night. They're all in line for Wandos. They decided to come back from KHK, Matt From walks out of Brothers. "Who'd you go with?" "just me" lol

He chugged siracha

Matt From punched dan in the face during the discussion over backhands vs forehands slap bets

Joe woke up in someone's apartment over the weekend, lost all his shit, shirt backwards, no idea where he was. Put his pants back on and left. Later found out he was running around naked and he peed on the floor.

Got his stuff back later. The girl whose place it was will still talk to him.

Phil – Brad for hosting the BP tournament, Pledges for helping with cooking the frat meal, Uno for coming randomly and helping to drive people to flat top, Uno for never walking into KHK without a new bottle of booze, Dan and Uno for winning the BP tournament

Bungle – Ian for eating shit loving cancer, Joe for sucking, Stephan for getting K clubbed 4 times in one night, Matt From for cutting will and punching dan. Joe and Kyle for almost having to do a naked lap, people for talking shit about Dan.

Meeting Adjourned – 8:48 PM
