Proposal for computer supplies

We'll talk about the stuff that we can decide without DAA approval.

Current proposal: Two 2 terabyte hard drives, case for one of them in the DJ booth, new monitor for the white computer (alpha) so both of them would have 2 monitors, wrack mount new keyboard for the DJ booth,

Estimated \$350 for all of it, hopefully get the DAA to pay for some of it.

Approximately \$300 left in our computer budget

VOTE: 1 new Wii controller with classic remote and the 2 extension cords for GameCube controllers

50\$ for all these things from the computer budget

Passed! :D

Black board idea

Replace the white board in the basement

Meeting adjourned – 8:01 PM
