

Kappa Eta Kappa, Delta Chapter  
Spring 2012 Executive Meeting Minutes  
3/26/2012

Call meeting to order – 7:06 PM

Attendance – Drew Beatty wasn't here. Came later.

House day report –

Kyle talked

The attic got cleared out

The library has a desk in it now

Discussion of the desk: keep it in case we need it for fun night?

Nahh lets just toss it.

Fridge Vandalism –

We could look into it. Joe is less and less convinced that it “couldn't have been someone from khk”

Although, It sounds like it's agreed, if no one confessed, we're not willing to pin it on someone.

A new door would be 650.20 which is almost the cost of the entire fridge anyway

Ahh well... movin on.

Door Numbers –

Red plastic pieces with different fonts engraved on them.

You can buy holders from them

They might be drillable

We're trying to decide the color

Steve asked about purple? I asked about gold?

We could get wood grain

Housing corp expense? Yes, permanent house improvement.

VOTE: Black/white lettering, Black/yellow lettering

We had a vote but threw it out

Wait till next week to try and make a black and white version look like black and yellow.

VOTE: Font? Large Solid is what we like atm, but jerry might surprise us with other fonts next time.

Kegerator – Price - \$1800 to repair it. 700 for labor, 1000 for parts

The company doesn't thrill us. Didn't call us like they said, didn't change the Frat name on the letter they sent us with the price.

They don't list a warrantee on the repair

We're also looking into buying a new one.

Options – \$2250, \$2000, both are made for commercial use.

Major considerations – how will we install it? How to get it behind the bar (lift if over?), price, whether it fits under the stairs

There's no money budgeted.

The alumni association has \$2000 dollars in the bar fund

But that money was supposed to go towards the new mug cabinet

We considered single keg kegerators and getting multiples of them

No, probably lower than commercial quality

We want to get the cheapest 2-spigot kegerator with space for 3 kegs

Jerry is going to talk to Kessnix

Will Kill –

Pest control

\$20 per month

Housing corp will pay for half of it

So \$10 per month from

It's a 1 year contract \$250 all at once.

We're going to sign up for it.

Network Closet Fan –

DJ booth is taken care of

Network closet has yet to be taken care of

Excuse Letters –

Kyle –

AT&T problems –

They've been giving us the run around. We've tried talking to representatives. They've been cutting us off due to excessive use.

We're going to switch to charter because AT&T is screwing us.

It's going to be like \$50 for installation

According to Joe, the contract supercedes any deal you make with a representative and you "sign" a contract as soon as you pay your first bill.

TVs –

There are 4 TVs

We're thinking of getting rid of 3 of them. They probably don't have remotes.

Treasury Report –

Nah

Meeting Adjourned – 8:03 PM
