

KHK Exec Board

11-Oct-2010

Samuel A. Hurley, Secretary

Old Business

- ◆ The new sign has been hung, it looks very good.
- ◆ DHC
 - Hill Electric will come with his electrician at 7:30-8:00am to start work on the wiring of the front porch
 - Need to clear out the furnace room so that the electrician can have access to the circuit breaker panel
 - 7 of the floor boards on the porch need to be removed to run the new circuit wiring
 - Danny will look into removing the flooring. Steve will give the drill & bits to Danny beforehand
 - Hill will also take care of the lighting for the sign
- ◆ Clothes Dryer Update:
 - The selector switch for the heat appears to be mis-aligned
 - Appears that the heat actually works fine
 - We will replace or re-position the switch
 - Someone will tell Bud that we do not intend to take his newer dryer, since it is electric and it will be significantly more expensive

New Business

- ◆ DAA
 - Isaac needs to work on beer reimbursements from homecoming game.
 - Isaac needs to compile the expenses from other home games for reimbursement. Dale and Isaac have expenses from these games for brats.
 - These are in the stack of gopher receipts
- ◆ DAA: Grill
 - Is there a budget to purchase a cover for the grill?
 - Chapter improvements: \$160 for the sign, \$200 for the grill, over \$200 left.
 - Sam will look into getting a grill cover: costs will be ~\$30-40.
- ◆ Homecoming Wrap-Up
 - The new grill worked very well
 - Not as many alumni showed up as we expected
 - More people came after the game than before.
 - Many people came, looked around, and then left right away.

- In the past, KHK was able to buy tickets in bulk and offer them to the alumni, but this is no longer possible
- Overall we feel that things went really well.
- Someone donated \$40 to beer budget.

- ◆ Excuse Letters
 - All approved except Frank's.
 - Not getting a reminder text is not an excuse to miss an event.

- ◆ Treasurer's Report
 - Most bills have been paid

- ◆ House Day
 - Oct 24th
 - Away game on that week

Adjourn @ 8:05pm
